About Us

The Superhero Foundation is a group dedicated to the crusade against child abuse. April is National Child Abuse Prevention Month. We seek to raise awareness for this, and to ensure that every state recognizes April as Child Abuse Prevention & Awareness Month. We also support various regional organizations that help in the battle against child abuse, and those that support the rehabilitation of abuse victims.

CASA

CASA (Court Appointed Special Advocates) of Allegheny County works to recruit, train and supervise community volunteers who advocate for abused and neglected children in court and throughout the child welfare system. In our community, there are thousands of children who are active with the Children's Court system because they have been abused or neglected. Unfortunately, child victims often suffer from a myriad of complex problems and circumstances that, without personalized attention, will sabotage their ability to find safe, nurturing and permanent homes. CASA volunteers and their staff case manager partner together to ensure that every child receives the personalized attention they need and deserve. For more information on CASA, or to find out how you can become a CASA volunteer, please visit www.pgh-casa.org.
